

Get your PhD in CNC!

Congratulations! You've registered to attend an upcoming Axiom/Vectric CNC training event.

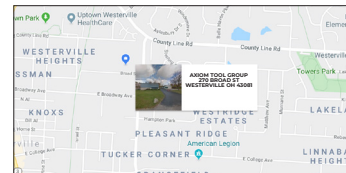

We're excited to see you at our upcoming Vectric Training Class. Please review this PDF closely as it provides details related to location, schedule and travel recommendations.

Please Note: All classes are taught using the current public release of Vectric software. Please be sure to update to the newest release prior to attending. If you don't own a copy of the Vectric software, a free trial version can be downloaded from the Vectric web site.

Location

Axiom Tool Group, Inc.
270 Broad Street
Westerville, OH 43081
(844) 642-4902

[CLICK FOR MAP](#)

Schedule

All classes meet 8AM - 4PM daily

Lunch will be served each day at noon.

If you have specific dietary restrictions, please notify us in advance.

Bonus

Saturday 9:00AM - 12:00PM

All attendees are encouraged to stick around for a hands-on CNC experience. We will host an informal CNC workshop where we can focus on your specific applications. You'll have access to every machine in the Axiom line-up and lots of great accessories too.

Travel

If you need a place to stay, we recommend our local Cambria Hotel Columbus - Polaris.

[Click here to reserve your room at a discounted rate](#)

A courtesy shuttle is available to transport you to and from the airport.

Please call (614) 841-9100 to request shuttle pickup at least 24 hours before reaching Columbus. Shuttles will also get you to and from our facility.
